Issue 55 July 2020

What will you be doing on Sunday 5th July?

Did you know that a nationwide clap to thank the NHS will take place on Sunday 5th July, in what is intended to become an annual tradition? People will be encouraged to applaud the heroes of the present coronavirus pandemic with their family and friends at 5:00pm, on what will be the 72nd anniversary of the NHS.

At the peak of the pandemic, many people became involved in the Clap for Carers tradition which was the brainchild of Annemarie Plas; and lasted for 10 weeks. It was in recognition of all the hard work and dedication shown by doctors and nurses as they cared for all the sick and the dying in our hospitals; and was extended to include all of our essential key workers.

The NHS is an amazing organisation and came into being on 5th July 1948. It was the first completely free healthcare system anywhere in the world; and was made available to all British citizens. It brought doctors, nurses and dentists together under one service; but a lot has changed in the 72 years since it began. Nowadays it employs 1.7 million people and is the fifth largest employer in the world!

It is mostly funded through the taxes paid by the people who work; and through National Insurance contributions. A smaller amount of the money comes from prescriptions charges and the charges for dental work.

He restores my soul. Ps 23:2

Bible Bite

A short story from the Bible

It can be read in the Bible in
1 Samuel 24

God chose Saul to be the King of Israel,
but Saul chose to disobey Him. God said
that the next king would not be Saul's son.

Saul didn't know
that God had
chosen David to
be the next king.

David was very successful
as a fighter and very
popular.

David had to go on the run and
hide.

One day, Saul
and his army
were in En-Gedi.
Saul needed to
pee, so he went
into a sheep
fold built next
to a cave...

David and his men were hiding at the
back of the cave!

David crept over and
cut a piece off Saul's
robe.

Then David felt bad.

David waited until Saul
was far enough away
then he shouted to him.

Your majesty, I could have
killed you today, but I
knew it was wrong. I want
to prove to you I'm not
trying to harm you.

David, you are better than
me. I would have killed you
but you were kind.

Now I know you will be
the next king, but please
look after my family.

David promised, and
Saul and his army
went home.
