### The New School Year

Are you a little bit worried about going back to school or college after such a long time away? You won't be alone. Things may be very strange at first but you will soon get used to the new routines; and try to remember that you are all in the same situation.

The Coronavirus pandemic has affected the lives of everyone; and we must continue to keep everyone safe from harm. You can help those around you by remembering four things.

- 1) Wash your hands to regularly for at least 20 seconds. Use hand sanitiser and keep your hands away from your face.
- 2) Remember to cough or sneeze into your elbow to catch any nasty bugs.
- 3) Make sure you get plenty of sleep, rest, exercise and healthy food. This will help you to stay fit and well.
- 4) Social distancing will also help to keep other people safe, especially those are already ill with other diseases.

**Don't forget** that if you are feeling worried or anxious, make sure that you talk to someone you trust, so that they can help you.

**A PRAYER FOR THE NEW SCHOOL YEAR**

Loving God, let me be strong today as I meet new people in new places. Make me brave when I am worried, show me how to learn from everyone around me, and help me to do my very best. Amen.

The bishops had formed a 'support bubble' all on their own.

# Bible Bite

A short story from the Bible

It can be read in the Bible in  
Matthew 12:1-14, Luke 6:1-11

The Pharisees watched Jesus to see if he broke any of God's laws, or the rules they had made up to stop the laws being broken.

Jesus' disciples were hungry so they picked some wheat from a field as they walked.

The Pharisees said to Jesus
