

*Welcome to the St Paul's church Building. The wonderful news is that In Jesus, God can be known anywhere, anytime. However, we hope you find your time helpful if you have come for private prayer today.*

There are important notices to help make people's time safe for all. **Please read and abide by all of them.**

St Paul's Church Council have sought to risk assess, and reduce the risk for people using the building as much as possible, and in line with guidance. However it is impossible to remove all risk or possibility of contamination. **All users must be aware that they have a responsibility to assess their own personal risk and enter on that basis.**

**If you are in the extremely vulnerable category, we strongly urge you not to enter this building.** If you would like certain matters prayed for, or would like to talk to someone please do not hesitate to ring 01253 734562.

**If you are in the vulnerable category, we ask you to seriously consider the risks** to yourself before choosing to enter.

Please do not enter if you have coronavirus symptoms
