### 17. TFL London Underground Map - 1000 Pieces - Adult

This 1000 piece puzzle features the iconic modern day London Underground tube map, which was first designed in 1931 by Henry C Beck and based on circuit diagrams he drew for his day job as an engineer. The sprawling transport system has 270 stations and is made from 250 miles (400 km) of track. No other city is as recognised by its transport system as London. Its red buses, black cabs and Tube trains are known around the world. Every day more than 31 million journeys are made across the network. Please be aware that there are two minor errors within the artwork of this jigsaw. For the perfectionists, The Victoria Line key (bottom left) is positioned incorrectly and there is a break in the central line by West Ruislip. The puzzle size is 49x68cm when complete and the box size: 24 x 24 x 6 cm
